

SAINT
LE  NARD'S
MINISTRIES

2021 Annual Report

Mission

empower formerly incarcerated
men and women to lead whole
and productive lives

"I don't look at Saint Leonard's like a second chance. I look at it for what it is. This is my first chance; this is my blessing. I was never given a chance coming up as a kid." When he came to Saint Leonard's, he almost felt that it was too good to be true, even saying, "I kept trying to look for loopholes." When he realized that the people here want to help, with no hidden agenda, he was amazed. Alexander's mindset highlights something that many residents at Saint Leonard's Ministries feel for the first time: hope.

SAINT LEONARD'S MINISTRIES

"You have to give yourself a chance. You have to believe in yourself and never give up on your dreams." Monica, -Grace House Alumni

We are humbled and honored as the new leadership team of Saint Leonard's Ministries to present our Annual Report for fiscal year 2021. Thank you for being an integral part of our Saint Leonard's Community and giving residents like Monica more than just a chance to fulfil their dreams. You are an important part of creating opportunities, providing resilient strength, carving paths previously obscured, while believing in dreams like Monica's. We are grateful to thank you for all you do for the Saint Leonard's Community!

It has been a year of transition at Saint Leonard's with both a new Chief Executive Officer and a new Board Chair. With transition comes the desire to build on decades of successes while looking to create new opportunities to deliver the crucial services you support at Saint Leonard's Ministries.

Since we arrive, we recognize the need to plan for Saint Leonard's dynamic future. We need to remain a vibrant, impactful leader in our community so that we can continue to provide multiple paths to dreams like Monica's. We are pleased to share some of our vision for this amazing organization:

- Building a vibrant and engaged alumni community led by alums such as Monica, spreading our mission and showing what it's like to make their dreams reality.
- Expanding the range and scope of our education and employment continuum, both directly and through organizational partnerships, creating broader and more diverse opportunities.
- Maintaining a strong, sustainable Saint Leonard's with the people, systems, finances, and facilities needed for long-term success, leadership, and growth.
- Raising our visibility, credibility, and recognition as the respected leader for providing a safe, healthy, and nurturing community for returning citizens building lives.

The future of the Saint Leonard's community reaches beyond our campus and people like Monica. Saint Leonard's successes reaches reuniting families, grateful employers, and you! Your support is the pebble creating the community ripples felt beyond Saint Leonard's campus, those waves of support carry success into communities, homes and lives.

As the new Board Chair and CEO of Saint Leonard's, we are excited to lead our community into the future and grateful to have you joining Saint Leonard's in our mission and growth. Thank you for your continued commitment to the Saint Leonard's Ministries community. I look forward to sharing our successes with you over the course of the coming year!

Sincerely,

The Rev. Larry Green

Women Initiating New Directions

As Lilly said, *“I’m sober now, not just clean.”* To Lilly and so many other Saint Leonard’s residents, sober is beginning to understand patterns and challenging old ways of thinking. It is also a place where there is more than a sense of hope, it’s a sense of belonging. When asked if she feels like she belongs now, Lilly’s response is, *“I do, I finally feel comfortable in my own skin.”*

Lilly has not only become a Saint Leonard’s success story, she’s become a part of the fabric of Saint Leonard’s. Lilly is also mentoring women as they come into the program. Giving back what Lilly has received is rewarding and inspiring. Lilly knows she needs to keep working every day to move her life forward.
