The Agency is exempt from income taxes under Section 501(c)(3) of the Internal Revenue Code and applicable state law. The accounting standard on accounting for uncertainty in income taxes addresses the determination of whether tax benefits claimed or expected to be claimed on a tax return should be recorded in the financial statements. Under this guidance, the Agency may recognize the tax benefit from an uncertain tax position only if it is more likely than not that the tax position will be sustained on examination by taxing authorities, based on the technical merits of the position. Examples of tax positions include the tax-exempt status of the Agency and various positions related to the potential sources of unrelated business taxable income. The tax benefits recognized in the financial

The Agency files annual information returns in the U.S. federal jurisdiction and the State of Illinois.

Management has determined that there are no uncertain tax positions during the reporting periods presented in these financial statements.

SLM has provided residential, case management, and employment services for those released from prison without the resources needed to rebuild their lives. Believing individuals want to lead productive and whole lives, SLM provides a setting in which men and women recently released from prison can make the transition to successful, independent living.

During their stay at SLM, residents are helped to reassess value systems, reorder priorities, and develop socially and legally acceptable patterns of behavior. Services include substance abuse treatment, counseling, and relapse prevention; programs to promote the development of life skills; assistance in connecting with community supportive services; housing placement services; a high school education; employment services, job training in construction and culinary arts, computer training, and social and recreational opportunities. Individual and group psychological counseling is provided through a partnership with Adler University. Basic health assessment, case finding, referral, health education, first aid, and monitoring of chronic conditions are provided by Rush University faculty and students.

Like most non-profits, providing services to marginalized populations, SLM uses the peer counseling model. About 65% of the staff is comprised of employees who also have misdemeanors and/or felonies in the past. There is ample evidence that shows that programs utilizing peer counseling are best practices. It would also be difficult to encourage employers to hire former felons if we didn't do so ourselves. There are people at every level including directors, officers, etc., who have felonies in the past, but to our knowledge there is no one who has any misdemeanors for the misuse or misappropriation of funds.

St. Leonard's Ministries prohibits any director, trustee, officer or employee who has been convicted by any court of any misdemeanor involving the misuse or misappropriation of funds or any felony from having signature authority over any organizational bank account and from participating in the solicitation or collection of cash for charitable purposes.
