30 Years of Grace House

In September 1994, Saint Leonard's filled a previous gap in re-entry services by opening a stand-alone house for women returning to the community.

In 2024, we celebrated 30 years of housing and supportive services specific to the needs of women.

"We have so much. I spent my first Christmas out of prison after 20 years and that was one of the best Christmas ever.

We had two trees, decorations, and a whole bunch of presents for everybody."

Olga, Grace House Resident

Celebrating 70 years of **Inventing** and **Innovating**

In 2024, the agency celebrated its 70th anniversary with Saint Leonard's **70 Years of Inventing and Innovating Awards Reception** in October. Over 230 people, including 40 alumni, gathered to celebrate the past, present, and future of SLM. Lt. Governor Juliana Stratton, David Waud, and Alum Willette Benford were recognized. Family members of the agency's founders traveled from across the country to join in celebration.

"Without this place I don't know where I would've ended up after getting out of prison. I recommend it to anybody who needs it in the future."

Henry, Saint Leonard's House Resident
